TRAINED DOG, "PAL," IS IN "RENT FREE"

A wonderfully trained dog named "Pal," which plays with Wallace Reid in "Rent Free," the star's latest Paramount picture, coming to the Torrance Theatre Sunday, April 23, is a smart canine, but one day between scenes of the picture the property man sent him on a wild goose chase which quite bewildered him.

The dog's master gives "Pal" his daily exercise by throwing a tennis ball up in the air for him to catch on the fly. The hard-hearted property man threw up a balloon which he had obtained from a cafe setting nearby. The dog jumped for the balloon, but when he hit it with the end of his nose in his efforts to catch it in his mouth the balloon bounded back high in the air.

Determined not to be outdone, "Pal" continued to jump for the balloon, keeping it in the air for some minutes, but all in vain. He found it impossible to lay hold of the light sphere with his teeth. Then he tried strategy. He allowed the balloon to float quietly to the stage, then with his nose "Pal" pushed it along the floor to his master's feet.

"Rent Free" is declared to be one of the most delightful vehicles in which Mr. Reid has appeared for some time. It was directed by Howard Higgin, marking that director's debut as a Paramount megaphone artist. Elmer Rice adapted the story by Mann Page and Izola Forrester Page. Lila Lee is leading woman and heads a company of clever screen players.

Washington Irving's immortal classic, "Rip Van Winkle," has been adapted to the screen by Ward Lascelle, one of the greatest directors of the present day, and with Thomas Jefferson in the title role comes to the Torrance Theatre on Saturday, April 15.

Rev. Stanley H. Thorpe, pastor.

TORRANCE SCHOOL NOTES

School is closed this week for the annual spring vacation. It will reopen on Monday, April 17. It is particularly opportune that the Chautauqua should open this week for all the pupils are free to attend afternoon and evening sessions. Much boosting has been going on during the week, and some of the children are selling tickets. A prize is offered for the largest number sold. Friday noon the entire school was busy at a hunt for three free tickets which Mr. Barnett had hidden on the grounds.

A jolly Easter treat was given the children of the kindergarten and first grade by Miss Raush, Miss Thomas and Mrs. Latter. The children were led out into the grassy park and there they found many pretty Easter eggs.

The elementary ball team played its first out of town game when it met Redondo Friday afternoon. The game resulted in a score of 24 to 13 in favor of Torrance. The team consists of Raymond Denuit, captain, Eddie Anderson, Fred Reynolds, Anthony Jessome, Murray Quigley, Harold Romine, Ray Sleppy, Walter Zuver and Winfrey Wyne. A return game will soon be played at Torrance.

At a student body meeting on Friday afternoon school letters were awarded to the following members of the basketball team: Karl Von Hagen, captain; Kingsley Tufts, Dale Gipe, Clifford Simpson, Ralph Beall and William Mullin. Mr. Mauer, the coach, complimented the team on its fine spirit throughout the season by saying that no team met during the scheduled games had had any complaint against our men.

The baseball uniforms purchased by the student body arrived in time for the first game of the Bay City Baseball League, when Torrance met Redondo on the Redondo diamond. The team looked trim and sporty in the cerise and silver gray uniforms, with the T. H. S. motto on the sleeves. Although Torrance was able to hold her opponents down to five runs, she was unable to score any points for herself. The team consists of Dale Gipe, captain; Clifford Yendoll, Earl Condley, William Yendoll, Karl Von Hagen, Edward Muson, Joe Webb, George Watson, Gerard Fisher, Carl Burmaster, Ted Reeves and William Mullin.

The school feels a severe loss in the departure of Kingsley Tufts for Indiana. He has stood high in athletics, oratory and scholarship during his two years in this high school.

That new sign of Harry Paige's on Cabrillo street certainly is a loud one. No one driving into Torrance from the east can help but take notice that Paige is conducting the most up-to-date Public Market to be found in this vicinity, and that it is located four doors west on El Prado street.
